## Prairie II Jewelry Box Collection

This masterfully-crafted Prairie II Collection of Jewelry Boxes capitalizes on the richness of dark hardwoods to create a statement of simplicity and beauty. Swirling Kewazingo provides intrigue to the lid while the single-piece construction of the Bubinga box base provides continuity of color and grain. Removable drawer inserts and jewelry inserts customize the box to your individual needs, creating a unique space in plush sapphire. Complete with mitered corners, this box is both strong and durable to protect your unique collection for years to come. Felt feet and the artist's signature on the bottom add the final details to finish off this beautiful box. Made in the USA

## Cascade I Jewelry Box Collection

The Cascade I collection offers an amazing space for storing and displaying valuables. These beautiful Cherry boxes are crafted in the single-piece method which ensures that the wood grain and color match perfectly on the entire box. The Quilted Maple top is almost three-dimensional at certain angles, as scintillating as the jewelry within. Inside, a pearl lining and removable drawer inserts create unique and protected spaces for your jewelry collection. Final embellishments include drawer stops, felt feet, and the artist's signature on the bottom of the box. Made in the USA

Standing just a notch above its competitors on delicately subtle feet with a special grace all its own. The beautifully figured Burl Walnut top compliments the finely-grained Sapele on the main portion of the box. A sliding tray affords organization and ease, while soft pearl lining protects your jewelry and valuables from damage. Mitered corners complete with hidden "wooden keys" are essential to this box's construction while color and grain continuity are kept through our single-piece construction technique. The artist's signature is engraved into the bottom of the box for a last touch of artistry. Made in the USA
